Spring Brings New Beginnings at Animal Protectors

Spring is almost here and we are all ready to open our doors and windows and let the sunshine in! At Animal Protectors this Spring, will be a special one as we are opening our shelter up to the public and relaunching our volunteer program that was on hold during Covid. We are looking forward to formally welcoming new and old volunteers to the shelter. We have really missed you!

Spring is also a time for new beginnings and fresh starts. We are very proud to formally announce that Michael Post, our former veterinary technician, officially started as shelter manager in late 2021. Mike was born and raised in Lower Burrell and grew up around every pet you can imagine. He inherited his tenderness for animals from his late father David Post who brought home an injured squirrel from work for them to rehabilitate and so began his medical career for animals!

Mike Post with APAV dog, Daisy.

Mike has spent 10 years as a surgical scrub nurse and later as a travel nurse. Mike contemplated moving to Boston full-time but came back to his hometown for an ailing family member. After a 2.5 year sabbatical, he decided on a career change to veterinary medicine after adopting his dog Yogi and losing his father. Mike graduated from The Vet Tech Institute and earned his CVT while working for veterinary clinics. He became medical Coordinator at APAV in February 2020 and never looked back!

The Board of Directors was thrilled to see Mike step up to the occasion as our new shelter manager, and we are very grateful to have him on board! Mike has shown true professionalism in his ability to handle the medical care for the animals and run the shelter. What I like the most about Mike is his ability to seize the day and take new opportunities for APAV. He isn't afraid of hard work and challenges and all the "growing pains" that might come with these new endeavors. We are going to keep growing and improving under his leadership at the shelter and are very excited for what the future brings.

Bring it on, Spring! We are ready for you and to see all our friends back at our new shelter again!

I look forward to seeing everyone soon!

LOVE

CLAUDIA

Claudia is a gorgeous 11 year old girl. She started out with us being very skittish and spent all of her time hiding. She has grown more comfortable and confident in her surroundings and doesn't hide anymore. She is laid back and enjoys nothing more than napping by one of our patio windows. Claudia does well with our other cats and never causes any kitty drama. She will need a loving home where she can adjust and open up at her own pace.

MIA

*Sponsored by SDB Technologies
In honor of all AP volunteers*

Mia is a little over 3 years old and has been waiting patiently for a new home for months. She can be very shy when you first meet her and is often overlooked because of it. Once Mia is your friend, she's your friend for life! Whether you're out for a walk or hanging out on the couch, Mia is happy as long as she's by your side!

NOEL

Meet Noel! She is Naughty's mama! They are both still waiting to find loving homes of their own. Noel was very timid when she first arrived, but is now making great progress! She loves to rub against your hand and give gentle head butts. She is most comfortable when she makes first contact, but we know that she will keep improving! Noel is only 1 year old and will need a patient family to give her the support she needs.

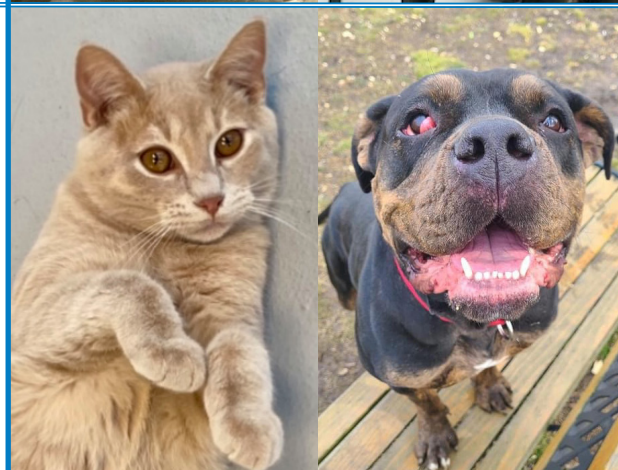

JADE

This beautiful, 5 year old lab mix is Jade. She is sweet, silly and playful once she gets to know you! She bonds deeply with her people and will be truly loyal. Jade will need a few meet and greets before she is ready to go home with her new family. She is nervous around new people. Slow transitions and patience will be the key to her success. A home without a lot of foot traffic would be a huge benefit for her!

NAUGHTY

Naughty is a beautiful young cat! Rescued with his mom and brother around the holidays, this young family was very lucky! Naughty is about 7 months old now and he is a barrel of laughs! He loves to run, play, and kick his toys around! Once very fearful, Naughty is now warming up to our staff and volunteers. Once he is in his home and has had the proper time to adjust, we know this little guy is going to thrive!

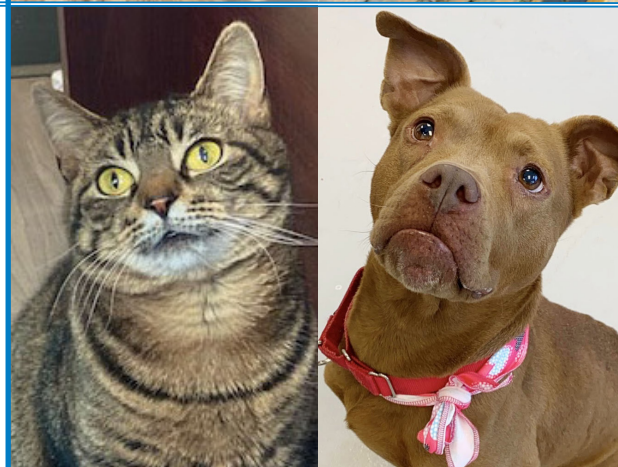

DIAMOND

Diamond, "Dia" for short, is a Cane Corso mix! She is 2 and a half years old. Dia can be rambunctious and she's super playful! She loves all her toys and she likes to trot them around to show them off. Dia has played well on doggie play dates here at the shelter, but she is a strong girl, so dog's of a similar size and energy level are recommended to be her play mates. Wouldn't you like to meet her?

KISA

This little beauty is Kisa! She is about 2 years old and started out being very timid around people. Kisa has been living as an office foster since she's been with us and she has made some amazing progress! She likes to sit and watch the goings-on of the office. She's also curious and likes to explore, play with her toys and lounge in the office windows. Kisa will need to be an only cat because she is FIV/FelV+.

MIRA

The name Mira is short for Miracle. Mira is a special dog, she was found as an emaciated stray at the end of December. She has made such a turnaround and we're all very proud of her! Mira is up to a healthy weight and is now as happy as a dog can be! She is a little wiggle butt and that tail just never stops wagging! Mira is about 6 years old and will need to be an only dog. Once you meet her, we know you will fall in love.
