National Animal Shelter Appreciation Week - Nov. 1-7

The first full week in November is National Animal Shelter Appreciation Week.

A little history lesson about shelters:

1824 The Society for the Prevention of Cruelty to Animals was formed in Britain and started changing the perception about dogs.

1866 The US version of the SPCA was formed.

1869 The first modern shelter in the US was created by the Women's SPCA of Pennsylvania.

1877 The American Humane Association is formed.

1954 The Humane Society of the US is formed.

1960's and 70's Private animal shelters were formed in addition to the municipal ones in an effort to bring in strays and find them homes. Public opinion about stray animals start to shift and people begin to view them as potential pets rather than public health hazards.

1966 Animal Protectors of Allegheny Valley (AP) is formed as a rescue group. Later, it becomes a full-service shelter.

Mid 1980's AP builds its first shelter after having taken over the operation of the City of New Kensington's dog 'pound'. By the way, the term pound comes from agricultural impoundment lots where animals were impounded until their owners picked them up.

2021 AP moves into its new, state-of-the-art shelter at 730 Church Street.

As we start a new chapter in our history, we're proud to be part of a compassionate, caring movement of animal welfare. Animal shelters provide a much needed service to the communities in which they are located. Animal Protectors mission is to rescue, re-home, and rehabilitate stray, injured, abused, and abandoned dogs and cats. Our work not only provides a safer, healthier community, but also helps to provide care that bridges the gap to adoption for abandoned and stray animals. Today pets are considered an integral part of the family and teach us unconditional love, responsibility, and acceptance.

Animal Shelter workers are compassionate, kind, caring, and very hardworking. They care for our animals, provide them with a second chance, and help them find the perfect home. People who work at animal shelters work tirelessly to help and save animals. They often work several hours with below average pay. At Animal Protectors we are extremely proud of our hard working, caring staff.

If you appreciate Animal Protectors and the work it does, please show your appreciation, by making a donation, supporting one of our events, sending a note to our staff or re-posting our FaceBook and Instagram posts. Talk to your family, friends and neighbors about our non-profit shelter and the work we do in the community. And please, adopt, don't shop.

LOVE

Cinders

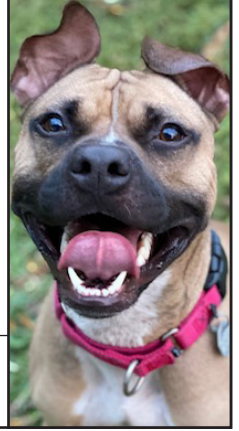

Cinders is estimated to be 3-4 years old. Currently in a foster home, his foster parents love him to pieces, but cannot keep him because Cinders does not get along with dogs. He lives with another cat and the two do great together! Cinders is FIV+, but he's healthy and happy. He is friendly, playful, and always happy to get attention.

To all my wonderful cats - past and present*

Tug

You would be hard-pressed to find a sillier dog than Tug. Just look at those ears! This 2 year old boxer mix is super friendly. He loves to run and bound in our play yard! He is treat motivated and always eager to meet someone new. Tug is also very curious about our other resident dogs and may do well in a home with another dog.

*Sponsored by Martin and Margaret Simon
In honor of all college and high school grads
of the Class of 2020*

Dobi

Dobi is a sweetie pie who is still getting used to shelter life. She arrived when her owner's landlord would not allow pets in the home. Dobi loves being with people and draws her confidence from them. She's a cuddle bug and such a friendly and loving dog! Dobi walks well on a leash and is curious to check out all her new surroundings.

*Sponsored by Marty Stewart
In loving memory of Chappy Stewart
and Elsie Brophy*

Oprah

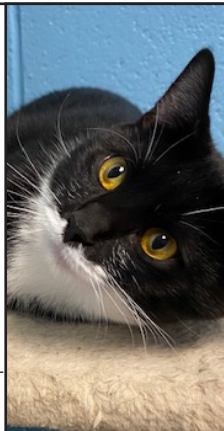

This petite 1 year old tabby is Oprah! She arrived with three tiny kittens and spent some time in a foster home to raise them. She was an excellent mama and now it's time for her to find her own forever home. Oprah is super loving and affectionate! She just eats up attention and loves playing with the toys in the cat room!

Sponsored by Robert and Stacey Casselberry

Precious

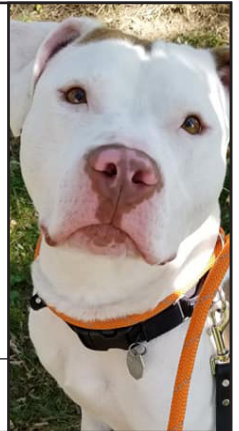

Say hello to Precious! She's a pretty kitty with a classic tuxedo coat! Precious came to the shelter as a young mother. Only about 10 months old herself when she arrived with her 3 month old kitten. Her baby has found her home and now it's mama's turn! Precious loves people and is always the first one to greet you when you enter the cat room.

Sponsored by Robert and Stacey Casselberry

Kevin

Kevin's tail is always wagging because he is always happy! This 1 year old terrier mix is a huge goof! Kevin loves to run around the yard and greet other dogs through the fence. His happy go lucky personality is infectious and you can't help but smile when you're with him! We would recommend older children for Kevin just because he can be a bit clumsy.

*Sponsored by Sue and Buggs Piasecki and the
Cartney Family, in memory of Nancy Chapla*

King

King and his brother Nino were surrendered when their owner had to change homes and could not bring them along. This 3 year old boy, is really just a big baby! He's lovable and goofy with a winning smile and a beautiful brindle coat! King needs a home without cats or small dogs, but may do well with medium to large dogs.

*Sponsored by Diane Costello
In loving memory of Auntie M*

Achoo

Sweet little Achoo is a quiet and shy girl. When she arrived, Achoo spent most of her time hiding. She is a beautiful dilute tortie with lovely green eyes! Achoo is 4 years old and previously lived with another cat. She will do best with a patient and loving owner who can give her enough time to adjust to her new home. Let her show you just how loving she can be.

Four-Foot

by Rudyard Kipling

I have done mostly what most men do,
And pushed it out of my mind;
But I can't forget, if I wanted to,
Four-Foot trotting behind.

Day after day, the whole day through—
Wherever my road inclined—
Four-Foot said, 'I am coming with you!'
And trotted along behind.

Now I must go by some other round—
Which I shall never find—
Somewhere that does not care the sound
Of Four-Foot trotting behind.
