

VOLUNTEER WAIVER

Animal Protectors of Allegheny Valley waives all liability in the event of accidents or personal damages to a person while volunteering their services for the shelter. This signed statement confirms the volunteer or parent/legal guardian when applicable accepts all responsibility for said occurrences.

Children 16 – 18 years of age may volunteer with signed permission of parent or legal guardian, who is required to accompany the child to the shelter to sign the waiver. Children under the age of 16 are not permitted to volunteer or to accompany parents during their hours of service.

I have read and understand the above waiver.
